

# CAMBRIDGE

Welcome to Cambridge!

## DID YOU KNOW?

DNA was discovered by scientists in Cambridge.

Cambridge is also thought to be the birthplace of modern football, where students in 1848 put together rules that formalised the game.

Affiliates of Cambridge University have won over 120 Nobel Prizes over the years.

## JUNIOR GROUPS

You will be going to one of Cambridge's museums before some free time to go shopping and have lunch. After lunch you will be taken on a guided tour of the city, exploring some of its most famous landmarks and hidden pieces of history. There will then be some more free time before heading back to Sevenoaks.

## SENIOR GROUPS

When you arrive at Cambridge there will be time to explore, go shopping and then stop for lunch. You will then be able to visit elements of Kings College, Clare College and Trinity College. After this, you will be taken on a guided tour of the city, exploring some of its most famous landmarks and hidden pieces of history. There will then be some more free time before heading back to Sevenoaks.

After your trip you will travel back to Sevenoaks on the coach and have dinner on campus.

## TOP TIPS

Stay with your activity group at all times. Cambridge is a busy city and it is important that your Activity Leader knows where you are at all times. There are lots of people and bicycles, so make sure you stick together!

Make sure you have the emergency contact number on you. If you have any problems, call the number immediately and someone will be there to help you.

Be sure to wear your excursion t-shirt. There are lots of school groups in Cambridge and it is important that your Activity Leader can easily identify you.

Have fun! Cambridge is an beautiful, historic city and we hope you have a wonderful time.
