

THORPE PARK

Thorpe Park is one of the UK's most famous theme parks with a wider range of activities and roller coasters. It is home to the tallest and fastest roller coaster in the UK, as well as other favourites such as Stealth and Saw. If you don't like rollercoasters, don't worry - there are plenty of other games and arcades.

After your trip you will travel back to Sevenoaks on the train and have dinner on campus.

Click here for a [map of the park](#).

TOP TIPS

Remember to meet your Activity Leader at the designated meeting points on time. The more prompt you are, the more time everyone will have to go on rides.

Make sure you have the emergency contact number on you. If you have any problems, call the number immediately and someone will be there to help you.

We recommend choosing a couple of rides that you really want to go on. Thorpe Park can be busy and queues are sometimes long.

Make sure to stay in groups. This way, you can have fun with your friends and stay safe.
