

# LONDON

Welcome to London!

## DID YOU KNOW?

More than 300 languages are spoken in London.

The London Underground is the oldest underground railway network in the world.

London has so many green spaces that it is technically a forest!

## JUNIOR GROUPS

You will be going on a walking tour of the city seeing some of its best known highlights. You will finish the tour at the Tower of London: one of London's most important historic buildings. This castle was originally a prison dating back to the 1070s and now stores the Crown Jewels.

## MIDDLE YEARS GROUPS

Your visit to London will include a walking tour of some of the city's highlights, into St. James' Park. This is London's oldest Royal Park and will be the perfect place to stop for free time. You will also be taken to a museum on a red London tour bus.

## SENIOR GROUPS

You will begin your walking tour at London Bridge and make your way towards Covent Garden, one of London's shopping highlights. You can then visit Borough Market: the city's famous open air food market. With food from all over the world, you will have lots of options to choose from. The day will finish at The Shard. As the UK's tallest building you will be able to see views over the city.

After your trip you will travel back to Sevenoaks on the train and have dinner on campus.

## TOP TIPS

Stay with your activity group at all times. London is a busy city and it is important that your Activity Leader knows where you are at all times. It is easy to get lost, so make sure you stick together!

Make sure you have the emergency contact number on you. If you have any problems, call the number immediately and someone will be there to help you.

Be sure to wear your excursion t-shirt. There are lots of school groups in London and it is important that your Activity Leader can easily identify you.

Have fun! London is an exciting city and we hope you have a wonderful time.
