

Boarding House Allocation

We are delighted to welcome you to Aisher House: home to junior boys aged 11-13. One of our newest houses, Aisher is a bright, relaxed, and happy home with modern facilities. We can't wait for you to see it for yourself!

Our Facilities

Aisher features a range of state-of-the-art facilities, including spacious rooms equipped with lockable storage space. Bathrooms are adjacent to your bedroom. You will most likely be sharing a room with between one and three other boys your age, all from different countries and backgrounds. Boarding gives you the opportunity to make friends from all over the world and is the highlight of the Summer Programmes for many students.

One of our favorite aspects of Aisher is its social spaces. Whether you want to play pool with friends in the games room, practice piano, watch TV in one of our lounges, make snacks in the kitchen or have a game of volleyball on the lawn, Aisher equips students with everything they may need to experience Sevenoaks to the fullest.
