

Boarding House Allocation

We are delighted to welcome you to The International Centre, home to senior boys aged 13-16. The International Centre (known as the IC) is a bright and relaxed home with a range of facilities. We can't wait for you to see it for yourself!

Our Facilities

The IC features a large open plan lounge and games area looking out onto a patio and football pitches. Bedrooms are equipped with lockable storage space and bathrooms will be on the same floor as your room. You will most likely be sharing a room with one or two other boys your age, all from different countries and backgrounds. Boarding gives you the opportunity to make friends from all over the world and is the highlight of the Summer Programmes for many students.

One of our favorite aspects of the IC is its social nature. The games room, lounge spaces, kitchen and outdoor area allow students to get to know everyone in the house. Whether it is playing football on the courts or making snacks in the kitchen, the IC is a relaxed and welcoming introduction to Sevenoaks.
