

Boarding House Allocation

We are delighted to welcome you to New House: home to senior girls aged 13 - 16. New House is brand new, award-winning accommodation featuring bright, modern facilities. We can't wait for you to see it for yourself!

Our Facilities

New House features a range of state-of-the-art facilities, including spacious rooms equipped with lockable storage space. Bathrooms are either ensuite or adjacent to your bedroom. You will most likely be sharing a room with between one and three other girls your age, all from different countries and backgrounds. Boarding gives you the opportunity to make friends from all over the world and is the highlight of the Summer Programmes for many students.

One of our favorite aspects of New House is its social spaces. Whether you want to play games, watch TV in one of our lounges, make snacks in the kitchen or spend time outside, New House equips students with everything they may need to experience Sevenoaks to the fullest.
