

## Boarding House Allocation

We are delighted to welcome you to Park Grange: home to junior girls aged 11-13. One of the purpose-built boarding houses, Sennocke House sits in easy reach of the town and the centre of the campus. We can't wait for you to see it for yourself!

## Our Facilities

Sennocke House features a range of facilities including spacious rooms equipped with lockable storage space. Bathrooms will be on the same floor as your bedroom. You will most likely be sharing a room with between one and four other girls your age, all from different countries and backgrounds. Boarding gives you the opportunity to make friends from all over the world and is the highlight of the Summer Programmes for many students.

One of our favorite aspects of Sennocke House is its tranquility. Sennocke overlooks an extensive garden, and is within easy reach of all the school facilities, while having beautiful views over Knole. There is a very large common room, providing enough space for the whole house to gather, or for house events.
